Solution:

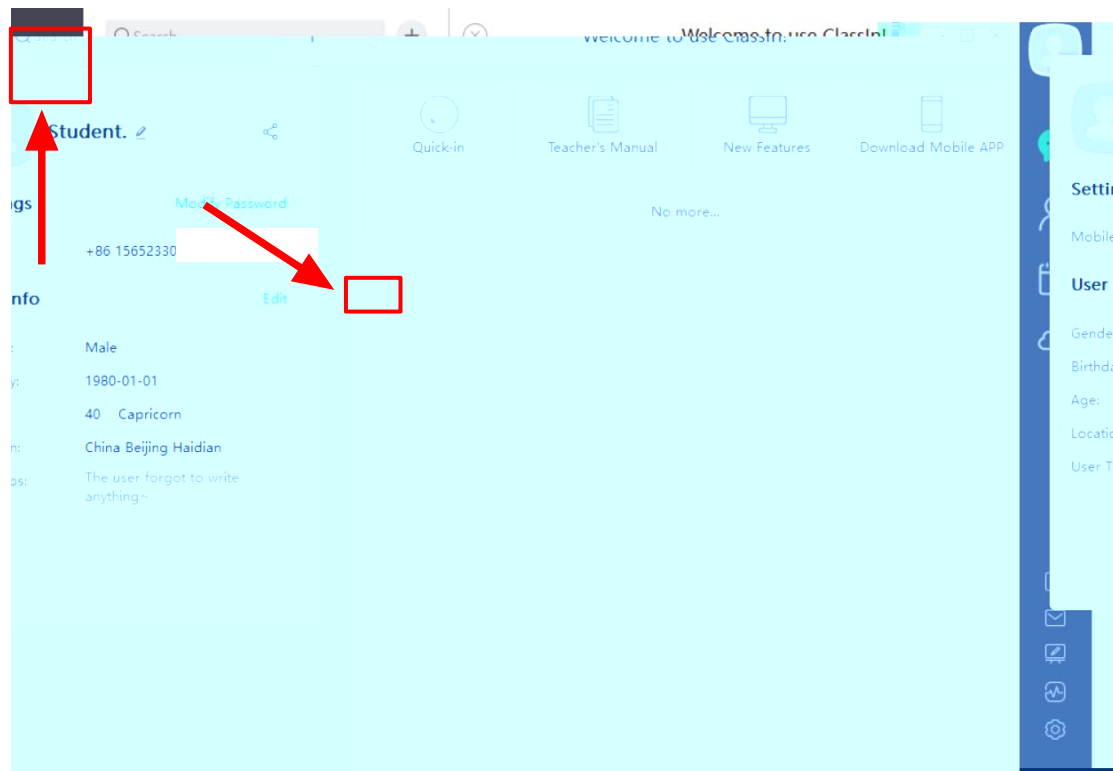

2.7 Having online courses on Classin

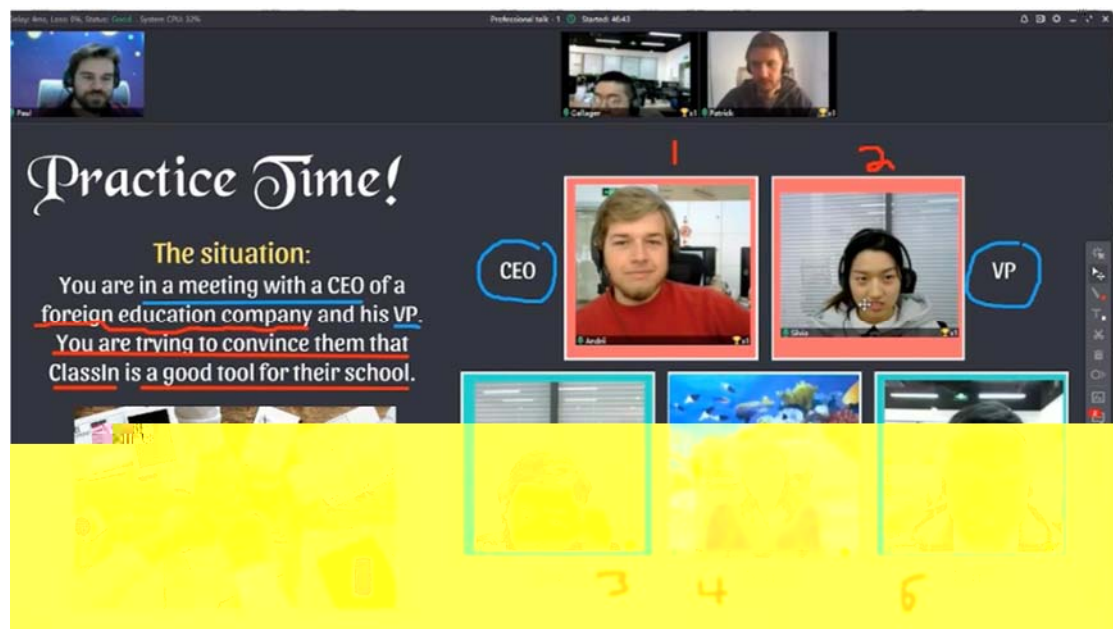

To set your personal information, including your name and profile photo:

Please click the photo icon on the top left corner on the IM interface. Then click

“ Edit” .

The user interface of online courses: teachers and students on the platform show up on the top, and teachers can invite students to the platform and have an interaction.

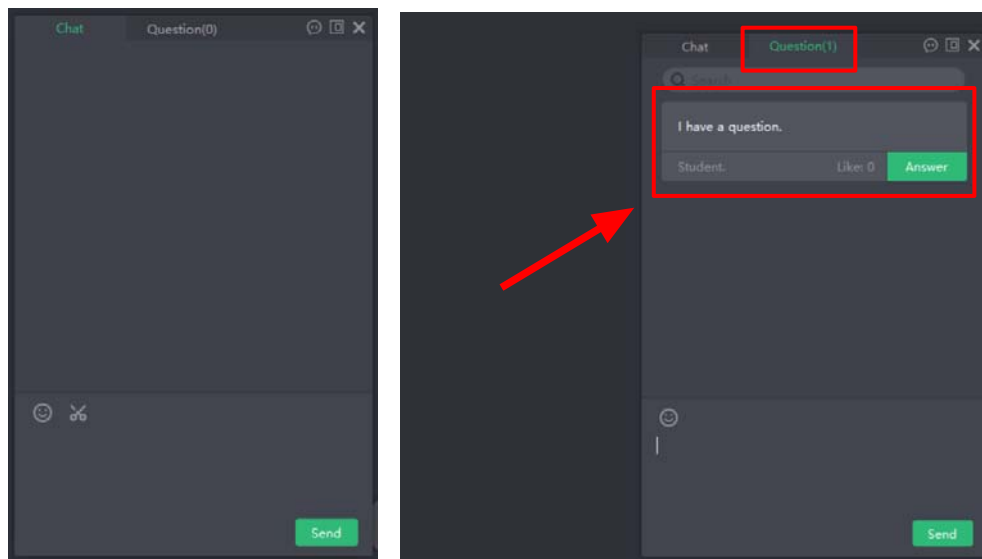

Chat tab & Question tab

Students can communicate with teachers and other students in the Chat tab.

Students can ask questions in the Question tab. If teachers click the “answer” button,

the questions will be displayed on the blackboard which are visible for all the students in the classroom.

Raising hand If the students want to speak or participate in class discussions, please click the “Raising hand” button.

3. Playback of courses

Please login ClassIn with your mobile no. and password and find the course name you join. Click Course – the playback button to review the course.
